

**Zoning Group Discussion #2**  
Convened by Sustainable Resources Group Int'l, Inc.

**October 9, 2003**  
**9:00am - 12:00pm**

Honolulu International Airport Conference Room  
Inter-Island Terminal

---

**Meeting goal:** Establish guidelines for the use of marine zoning in the NWHI.

**Outcomes:** Clear understanding of: 1) what types of zones are needed to meet the management goals of the proposed NWHI National Marine Sanctuary; 2) what criteria should be applied to their design/evaluation; and 3) strengths and weaknesses of the current zoning scheme as judged by management needs and zoning purposes and criteria; 4) a list of possible guidelines with the highest degree of consensus possible for the use of marine zoning in the NWHI.
